

2014 Spirit of Philanthropy Awards

Greetings!

November is closer than you think, and with it comes the **30th Annual Philanthropy Leadership Awards Dinner** to be held on **Thursday, November 13, 2014**. There is no better time or place to honor that individual or group whose time, effort, and resources have had the biggest impact on your agency this year. Without these leaders, we could not accomplish the amazing things that we do. We depend on them to help us achieve our vision. The Philanthropy Leadership Awards Dinner is the perfect place for your board, and senior leadership to honor that special someone in front of the philanthropic, corporate and nonprofit leaders of our community, and have a great evening in the process. \$1,250 gets you a table for 10 and public acknowledgement of your agency and your special **Spirit of Philanthropy Award** winner. It is stewardship and cultivation all in one complete package, and all you have to do is show up! AFP handles all the details. Just ask **Bert Castro, President and CEO of the Phoenix Zoo...**

Like every charitable organization, the Phoenix Zoo depends on our community for philanthropic support to provide a growing slate of educational offerings and to increase our ability to touch the lives of children through our educational programs. Most recently, the Zoo

announced the completion of the first ever Capital Campaign, raising \$22.5 million. The remarkable show of support has allowed us to move forward to building a World Class institution. We could not achieve this kind of success without our donors and Zoo friends.

The AFP Greater Arizona Annual Philanthropy Leadership Awards Dinner is one of our favorite ways to honor those who have made a difference for the Zoo. Hosting a table at the event allows us to spend quality time with board members and key supporters. An investment of \$1,250 allows the Zoo to host a table of 10 and provides us with an opportunity to honor an individual or organization who truly exemplifies the spirit of philanthropy.

*Norberto J. (Bert) Castro
President and CEO
Arizona Zoological Society
Phoenix Zoo*

Submission deadline is **Monday, September 1, 2014**. [Click here](#) to download the **2014 Spirit of Philanthropy Award** form.
