Nonprofit*Next*: Taking Charge of Change

Join us for an exciting day of purposeful and impactful dialogue about strategies, techniques and methods for taking charge of change effectively and efficiently. Participants will be exposed to a variety of innovative solutions to common problems faced in the nonprofit sector, and will gain tools for finding new ways to approach and solve their organization's challenges. This conference attracts established, beginning, and potential nonprofit professionals alike, as well as board members and civic-minded business professionals. New to this year's conference will be an exciting "advanced" track of workshops designed specifically for today's experienced nonprofit professional. Register now to learn how "taking charge of change" is crucial to the health, sustainability, and future growth of your organization.

Plus, choose from over 30 innovative, highly-engaging and informative workshops!

featuring keynote speaker

Fay Twersky Director, Effective Philanthropy Group | William and Flora Hewlett Foundation

Fay Twersky is the Director of the Effective Philanthropy Group at the William and Flora Hewlett Foundation. She oversees cross-foundation strategy support, evaluation and organization learning, as well as grantmaking in support of organizational effectiveness and a strong philanthropic sector. Twersky also served as a director and member of the leadership team of the Bill & Melinda Gates Foundation, designing and developing their Impact Planning & Improvement division. She was also a founding principal of BTW – Informing Change, a strategic consulting firm. Twersky has authored numerous articles and reports, contributing to the Stanford Social Innovation Review, Chronicle of Philanthropy, and Alliance Magazine.
