

LINDA H. BOWERS

VP, Senior Trust Advisor
Wealth Management

BIOGRAPHY

Linda firmly believes that the goals and values of a client are foundational to building an appropriate estate or wealth plan. Once those are established, then you can layer on solutions that make a real difference in their lives.

In addition to overseeing the trusts and investments of her Northern Trust clients, as a Senior Trust Advisor Linda helps clients clarify their goals, advises them regarding their estate and wealth plans and helps them understand the implications of their planning. She also coordinates with the client's other professional advisors to insure that the client's planning solutions are effectively implemented.

First as an attorney and then in the wealth management arena, Linda has enjoyed a 26-year career in the helping high net worth individuals, families and business owners with their estate and wealth planning needs.

She obtained a Bachelor of Arts degree in Theology from Oral Roberts University and a Juris Doctorate degree from Regent University School of Law.

She is licensed attorney in Arizona and Missouri, a Certified Financial Planner, an Accredited Estate Planner and a Certified Exit Planning Advisor for business owners, as well as a Certified Member of the John Maxwell Team leadership program.

Along with her involvement in numerous professional organizations both as a leader and a member, she serves on the Professional Advisory Board of the Arizona Community Foundation and as a Board Member of Christian Family Care.

Married to her biggest supporter, she enjoys quiet time at home with her husband, loves connecting with people and considers herself a continual learner.
